RESEARCH INTERESTS

Numerical analysis, matrix functions, hierarchical matrices, approximation theory

EDUCATION

2025 - present	Ph.D. in COMPUTATIONAL METHODS AND MATHEMATICAL MODELS FOR SCIENCES AND FINANCE, Scuola Normale Superiore , Pisa, Italy
2022 - 2025	Master's degree in MATHEMATICS, University of Pisa , Pisa, Italy Final grade: 110 <i>cum laude</i>
2017 - 2022	Bachelor's degree in MATHEMATICS, University of Pisa , Pisa, Italy Final grade: 107/110
2012 - 2017	High School Diploma – Scientific Track, Istituto Comprensivo Corridoni-Campana , Osimo, Italy Final grade: 100/100

CONTRIBUTED TALKS

May 2026	27th Conference of the International Linear Algebra Society, Virginia Tech
----------	--

TEACHING EXPERIENCE

Scuola Normale Superiore

2026	Linear Algebra Tutor , (20 hours)
------	--

University of Pisa

2025	Real Analysis Tutor , Department of Computer Science (35 hours)
2024	Computational Mathematics Tutor , Department of Mathematics (42 hours)
2023	Mathematics Tutor , Department of Biology (40 hours)
2022	Mathematics Tutor , Department of Biology (40 hours)

SERVICE AND OUTREACH

2017 - present	Summer Camp Staff Volunteer – Fletcher , Associazione Progetto 360, Nine-day annual summer camp for children and young people aged 6–15, aimed at highlighting each participant's strengths through games, group activities, and educational experiences. Volunteer staff run the camp in August and prepare it year-round through planning meetings and training sessions.
